“The Diary of Anne Frank”

Anne does a great job of turning every day objects into Hanukah presents.

Your task: Take two or more of these common objects and turn them into a present. You may not use any other objects, except those on this sheet, unless you check with me. Explain how you would modify the objects to turn them into a gift. Describe who you would give the present to and why.

Note: Your present cannot be a drawing. It is, however, acceptable to make drawings and writing can be PART of your gift. Challenge yourself and see if you can come up with a three dimensional gift, and not just a picture or a piece of writing.
