

„What Would You Take With You?“

Name: \_\_\_\_\_

Period: \_\_\_\_\_

In order to escape being sent to a concentration camp during World War II, Anne Frank and her family were forced into hiding for two years. They each could only take one small bag (the size of a grocery bag) with them into the attic/annex. Think about what you would take if you had to go into hiding for two years, and could only bring those items that would fit into that small bag.

Make a list of those items you would take with you, and explain why you would take those items. What makes those items so important that you must have them above others?

Remember: They must fit within a bag the size of a grocery bag.
